Key Benefits

Stunning Atmosphere

Optimyst® delivers a world class electric fireplace experience that flawlessly imitates true flames and smoke.

Clean & Sustainable

Optimyst Cassette requires no fuel or venting as it runs on water and electricity.

Limitless Installation

With endless possibilities, build the ideal fireplace in any location, bringing your dream design to life.

Modular Design

Connect multiple cassettes together to achieve the desired length or design for custom installations impossible to accomplish with gas fires.

Adaptable Flame Shape

Includes spacers and slots for customizable flame width and pattern.

Continuous Water Supply

Designed to connect to main water line providing continuous operation. Accessory plumbing kit is available.

Customizable Ember Bed

Create any look you desire by adding your favorite ember bed to the included tray (ember bed not included). Optional inner glow log set also available.

Sight and Sound Remote

Control the flames and sound at the touch of a button.

Featuring **Optimyst** technology.

The world's most realistic 3D electric flame effect, patented by Dimplex. This unique flame effect is generated by an innovative combination of water vapor and light.
