

## Revillusion®

24" Built-in Electric Firebox

Herringbone Brick

Traditional elegance;  
revillusionary design.

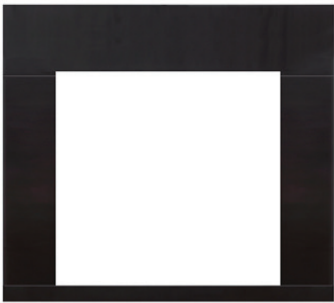

Enjoy classic, elegant features with Revillusion®—the electric fireplace inspired by traditional design. You'll be entranced by the flickering flames as they dance between glowing logs, surrounded by a herringbone brick interior with natural soot markings. The timeless appeal of Revillusion creates an authentic, everlasting impression.

**Herringbone Brick**

**FEATURES**

- Revillusion<sup>®</sup> Flame Technology**  
Revillusion Flame Technology produces ultrarealistic flames that mimic natural fire with the ability to dim the flames which simultaneously lowers flame height.
- Reflective Flame Panel**  
Includes a translucent acrylic panel that reflects the flames to make them appear from within the logs.
- ThruView<sup>™</sup> Full-depth Design**  
Enjoy a full view of the fireplace interior with the ability to see clearly through the flames —no obstruction.
- ComfortSaver<sup>®</sup> Heating System**  
Dimplex's exclusive ComfortSaver heater provides on-demand, supplemental heating that warms up to 1,000 sq.ft.
- Flame Speed**  
Allows you to adjust the speed of the flame to create the perfect atmosphere to suit your mood or room.
- Color Enhancement**  
Flame base colors include red and orange.
- Realogs<sup>®</sup> Plus**  
Features Realogs handcrafted and molded from real wood logs, which contain an inner lit LED light that add a glowing, pulsating effect as if the logs are burning.
- Brightness and Flicker**  
Adjust brightness of interior lighting from high to low to suit the room, including midnight mode which turns off lighting to reduce TV glare.
- All-season Flames**  
Enjoy the ambiance of a fire during the warmer months by deactivating the heater via the controls.
- Just Plug It In / Direct-wire**  
120V plug-in cord kit comes connected to the unit, with option to remove it and hardwire the unit to 120V/240V power supply.
- Easy Installation**  
No venting, gas lines, or piping required; simply frame, wire and finish for quick and easy installation.
